AUGUST 2025 | LET'S TALK: KIDS & THE CLINIC

READY TO GO BACK TO SCHOOL?

Start the school year strong with a quick checkup at your PMR Clinic! Our team will make sure your child is healthy, safe, and set up for success!

Vision & Hearing Screenings: Undetected issues can affect learning, focus, and behavior in the classroom.

Chronic Condition Management: If your child has asthma, ADHD, or other ongoing issues, the clinic can update action plans and medications.

Mental Health Check-In: Transitioning to a new grade or school can be stressful – we can check for anxiety, sleep problems, or behavioral issues.

Nutrition & Growth Check: Routine visits help track healthy development and identify early signs of under- or overweight concerns.

Medication Refills & Forms: If your child takes medication during school hours, updated paperwork and prescriptions are usually needed.
